News from the Stacks

HBL Newsletter - September 2016

What’s New?

New AC in the Stacks!

If you’ve been in the first or second floor stacks lately, you’ll notice that things are a lot cooler in the library. Over the summer an ac unit was installed. Both librarians and books have been enjoying the cooler temperatures and we hope you will too!

Try out our new Study Space!

Buhl Library has a new kind of study space for a limited time.

We want you to try it out and tell us what you think! Brody is located in the reference room by the public access computers.

Open House

We’re hosting our annual Open House event on Friday September 9th from 1-4pm. Stop in to learn about all of the services and resources we have to offer. There will also be therapy dogs, a travel themed photo booth, free giveaways and the chance to learn about the Office of International Education and the Office of Multicultural Education and Initiatives.

Featured Resource

New MLA Handbook 8th Edition

We have the latest edition of the MLA Handbook available at the reference desk to check-out. See what’s new and don’t forget about our online citation resources that you can access from anywhere!
