Features Resource

This online resource covers a wide range of topics as we seek to offer readers the numbers that count in American politics. In addition to standard subjects such as elections, Congress, the presidency, and the judiciary, this book provides information on the media; campaign finances; foreign, social, and economic policy; and a variety of issues related to state and local government. With the election coming up we are also featuring an array of resources this month in the library lobby including books and voting information.

Used Book Sale

October 24th - 31th from 8am until 8pm

The Library’s annual book sale will take place the week after Fall Break. Stop by for a wide assortment of fiction, non-fiction, dictionaries and encyclopedias on all topics ranging from religion, psychology, sociology, history, science, technology, health and so much more. Paperbacks are .50 and hardbacks are $1.00. All proceeds will go to the Grove City Food Pantry.

Library Accounts

We are working with our online library catalog provider to fix a problem with student online library accounts. We apologize for the inconvenience. If you are experiencing difficulty with your account, please email the reference desk.

Open House

Thank you to everyone who came to our Open House. We had a great time seeing everyone and sharing with you what the library has to offer.

We want to know what you thought about the event. Please take a moment to fill out our survey.

Congratulations to Matt, Margaret and Alicia who were our DVD/CD Drive winners.
