Edible Book Festival Winners

Thank you to everyone who participated and attended the Edible Book Festival this year. Thanks to your help we were able to donate $207 to Beloved Mercy Ministries.

Congratulations to Gamma Chi with their geode cake pops entry! They had the most money donations with $62.27. The Secret Garden entry submitted by Therese, Nicole and Jessica won second place with $33.18. There were 10 entries in this year’s competition. You can view them here. For more information on BeLoved Mercy Ministries and how they help homeless families in Grove City, check-out their Facebook page.

Bake Sale for Autism Awareness

Thank you to everyone who stopped by our bake sale in April. We raised $329.50 for Mrs. Shannon Sasala’s autistic classroom at Hillview in Grove City. We were able to purchase all of the life-skills supplies on her wish list as well as some fun items for her students. Thank you for helping us support Autism Awareness and a special thank you to our student workers, Cori and Alexa for helping us deliver the supplies.

Therapy Dogs

The library is going to the dogs on study day May 10th! Stop by the lobby from 1 - 4pm to visit with our therapy dog volunteers.

Commencement Speakers

Astronaut Jeffery N. Williams will give the commencement address to the graduating class of 2018 and Dr. Sinclair B. Ferguson, an ordained minister in the Church of Scotland will give the Baccalaureate address. We have many of Ferguson’s books in our collection as well as books on the International Space Station and the history of American space flight. Stop in and browse these titles and more in our lobby.

Have a great summer break!

Don’t forget!
- You can access all of the library’s electronic resources from anywhere! Connect to the Library VPN.
- You can check-out books over the summer!
- We’re open during the summer. Here are our hours.
- Need research help for an online class? Email or call us.
