The Library Open House is Thursday, September 6th from 2-5pm. This year we’re inviting students into the library to meet with librarians, take a tour of the library and learn about our services.

Start the Semester off Right!

Get the 411 about the library right from your computer, phone or tablet! Get quick answers to your most important questions like, how do I check out a book, how do I access my professor’s course reserve page, where’s the writing center and so much more!

We hope you have a great semester! The staff and students who work in the library are always here to help you in any way we can. Stop in and see us and we look forward to helping you have an amazing year!

Meet our New Librarian

Gretchen Maxeiner is our new cataloging librarian. Her office is located in Buhl 203. Before joining Grove City College in July, she worked for the Art Institutes, providing centralized library services to the 50 campuses across the US. She has also worked in academic and research libraries in Pittsburgh, Minnesota, Illinois and Athens, Greece. We’re excited to have her join our team and hope that you will help us welcome her to the campus community the next time you see her in the library or around campus!

Faculty Publications

Welcome back! To kick off the new school year, we’re featuring books published by Grove City College faculty throughout the month of September. You will find a wide array of books on different topics including fiction, poetry, history, economics and religion. Check-out the featured titles below and stop in the library to browse more titles.
