GCC Homecoming Display

Happy Homecoming GCC! Did you know we have a collection of books on the history of Grove City College and the town of Grove City? Stop in and check-out our featured collection in the library lobby. We also have past yearbooks dating back to 1912. We have a few out on display dating back to 1988. Stop in to check them out and ask at the main desk about the rest of our yearbook collection.

The Loeb Classical Library is the only series of books which, through original text and English translation, gives access to all that is important in Greek and Latin literature. This is the digital version of all Loeb volumes, searchable by author, subject, or series number. New volumes are added when published.
