**Happy New Year!**

We hope you’re having a great start to 2019! With the start of the new year, Buhl Library is looking back at all of cool things we did in 2018. If you’re curious how many books we checked out or how many questions we answered, take a look at our [2018 Library Services video](http://hbl.gcc.edu). We hope you enjoy and we look forward to serving the GCC community in 2019!

**Focus Week Resources**

The library was thankful to be able to join the Focus Week discussion on mental health by providing resources on this topic. Books were displayed in the library lobby and brought to two sessions for attendees to browse. Check-out some of our featured resources below.
